

# GALEON 410 HTC

## THE POWER OF HARDTOP

The upcoming 410 HTC based on the hull of the successful 400 FLY presents a more sporty silhouette matched by its quality interior. The hardtop offers a large glass sunroof over the helm station. The sizable tarpaulin roof, 410 HTC's new prominent feature, cover the cockpit from the sunlight during the voyage and opens with a touch of a button - ingenious solution!

The foredeck offers a sun lounge response for the abundance of space for leisure. A clever integrated wet bar area on platform ensures many amazing moments with friends. The incredible and everyone's favourite feature - the "beach mode" takes advantage of the added deck space for entertaining and relaxation.

The main deck has a full featured galley with plenty of space for dining and comfortable salon with a large three segment entrance door to the expansive cockpit. Down below both the owner and guest cabins contain separate bathroom and assure total privacy. Select from a variety of interior finishes and additional equipment to fully customize your yacht.

A 2020 premiere, the 410 HTC brings a breath of fresh air to the hardtop line category. New model offers exciting performance and flawless design as expected from a fourth generation model.

Join the Galeon Yachts family, where many amazing memories will be made!
